Effective September 1, 2015, Section 2001.142 (Notification of Decisions and Orders) of the Texas Government Code was amended to allow a state agency to notify each party to a contested case of any decision or order of the agency, if agreed to by the party to be notified, by electronic means sent to the current e-mail address of the party's attorney of record or of the party if the party is not represented by counsel. Commission Practice and Procedure rules, §1.45(e)(2) and §1.45(b). If the person consents to be served by email, the person affirmatively consents to the release and disclosure of the email address. Email service is complete on the date of the email transmission. An email received after 5 p.m. local time of the recipient shall be deemed served on the following business day."
